Commissioner for Patents

1. This communication is in response to Requirement of Restriction/Election sent to applicant on 9/15/2005.
2. On 10/14/2005, Examiner determined the submission of a Preliminary Amendment by the applicant on 3/2/2004. Upon review of the Preliminary Amendment, it was determined that the applicant has cancelled claims 1-26 and 29-62. Since only claims 27 and 28 remain in the application under consideration, the applicant has thereby fulfilled the requirements of responding to the Restriction/Election by in effect electing claims addressed to group III, claims 27 and 28, drawn to a method of on-line advertisement, classified in class 705, subclass 14.
3. Since the Examiner's previous Requirement of Restriction/Election communication has been addressed by the applicant by the Preliminary Amendment, no further action is necessary by the applicant in regard to this election at this time. Furthermore, an office action is forthcoming.
